INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
Youth Co-Op, Inc.
(a nonprofit organization)
Miami, Florida

We have audited the accompanying special purpose financial statements of Youth Co-Op Charter School (the "School"), a program of Youth Co-Op, Inc. (a nonprofit organization) as of and for the years ended June 30, 2009 and 2008 as listed in the table of contents. These special purpose financial statements are the responsibility of the School's management. Our responsibility is to express an opinion on these special purpose financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the special purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the special purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

As explained in Note 1 to the special purpose financial statements, the financial statements being presented are only for the School referred to above, which is a program of Youth Co-Op, Inc. The special purpose financial statements do not include the statement of financial position, activities, and cash flows of Youth Co-Op, Inc. (a nonprofit organization). Accordingly, the accompanying special purpose financial statements are not intended to present the financial position of Youth Co-Op, Inc. as of June 30, 2009 and 2008 or its results of operations and cash flows for the fiscal years then ended in conformity with accounting principles generally accepted in the United States of America.

In our opinion, the special purpose financial statements referred to above present fairly, in all material respects, the financial position of the School as of June 30, 2009 and 2008 and the changes in its net assets and cash flows for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

To the Board of Directors of
Youth Co-Op, Inc.
(a nonprofit organization)
Page 2

In accordance with *Government Auditing Standards*, we have also issued a report dated August 31, 2009, on our consideration of the School's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the result of our audit.

NOTES TO SPECIAL PURPOSE FINANCIAL STATEMENTS

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

Youth Co-Op, Inc. (the "Organization") was incorporated as a not-for-profit organization under the laws of the State of Florida on May 9, 1974, for the purpose of providing training, education and employment opportunities to low and moderate-income persons. In 1998, the Board of Directors and administration approved a plan to open a charter school since this was in line with the Organization's mission. On May 13, 1998, the Miami-Dade County Public School approved the application submitted by the Board of Directors of the Organization for the creation of Youth Co-Op Charter School (the "School"). The School is accounted for as program of Youth Co-Op, Inc. The governing body of the School is the Organization's Board of Directors which comprises of eight (8) members.

The School operated under the charter of the sponsoring school district, the Miami-Dade County Public District School Board (the "School Board"). The current charter is effective for fifteen (15) years expiring in June 2023 and may be renewed by mutual written agreement between the School and the School Board. At the end of the term of the charter, the School Board is required to notify the School in writing at least 90 days prior to the charter's termination. Pursuant to Section 1002.33(8) (e) of the Florida Statute, the charter school contract provides that in the event the School is dissolved or terminated, any unencumbered funds and all school property purchased with public funds automatically revert to the School Board. During the course of the charter, the School Board may also terminate the charter if good caused is shown.

At June 30, 2009, the School has a total number of 515 students enrolled from kindergarten through eight grade.

Governance Structure

The Board of Directors of Youth Co-Op, Inc. serves as the governing body of the School on voluntary basis and is consists of the following members:

Francisco Valladares	Chairman
Mario Hernandez-Fumero	Vice-Chairman
Jose Riesco	Treasurer
Ania Diaz	Secretary
Fidel Garcia	Member
Gerard Kouri, Jr.	Member
Francisco Sitjes	Member
Elena Zapatero Herrera	Member

1. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

Financial Statements Presentation

For financial reporting purpose, Youth Co-Op Charter School is a program of Youth Co-Op, Inc. and is included in the Organization's annual financial statements.

The special purpose financial statements present the financial positions, activities and cash flows for the Youth Co-Op Charter School only and do not include the assets, liabilities, net assets and statement of activities and cash flows of Youth Co-Op, Inc (a nonprofit organization). Accordingly, the accompanying special purpose financial statements are not intended to present the financial position of Youth Co-Op, Inc. as of June 30, 2009 and 2008 or its results of operations and cash flows for the fiscal years then ended in conformity with accounting principles generally accepted in the United States of America.

Promises to Give

Unconditional promises to give are recognized as revenues or gains in the period received and as assets, decreases of liabilities, or expenses depending on the form of the benefits received. Conditional promises to give are recognized when the conditions on which they depend are substantially met.

Restricted and Unrestricted Revenue and Support

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions.

Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the Statement of Activities as net assets released from restrictions. Federal and State grant awards are classified as refundable advances until expended for the purposes of the grant since they are conditional promises to give. Unrestricted support increases unrestricted net assets.

Funds provided by the School Board through the State's Charter School Capital Outlay Funding pursuant to Section 1002.33(19) of the Florida Statutes are recorded primarily as temporarily restricted support until the Organization submits a Capital Outlay Plan to the School Board and the School Board accepts the Capital Outlay Plan and release the funds.

Funds received from the School Board and the State of Florida for the operations of the Charter School is recorded as exchange transactions.

Cash and Cash Equivalents

For purposes of reporting cash flows, short-term marketable investments purchased with an original maturity date of three months or less are considered to be cash equivalents.

1. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

Allowance for Doubtful Accounts

Management believes that all receivables are collectible; therefore, the School has not included a provision for uncollectible accounts. Any accounts deemed uncollectible will be charged to expense when the determination is made. There were no uncollectible accounts during the years ended June 30, 2009 and 2008.

Property and Equipment

Purchases of depreciable assets are recorded at cost. Assets purchased with funds with explicit restrictions regarding their use and restrictions on the disposition of those assets are reported as temporarily restricted support. The School reclassifies temporarily restricted net assets to unrestricted net assets by releasing the depreciation charged for those assets during the period. Normal repairs and maintenance are charged to expense as incurred. Depreciation is recorded as an expense of Unrestricted Net Assets and is computed on the straight-line method over the estimated useful life:

<u>Assets</u>	<u>Years</u>
Property and equipment	5
Furniture and fixture	7
Leasehold improvements	5-20

The School capitalizes assets with a cost greater than \$1,000 and a useful life greater than one year.

Due from Youth Co-Op, Inc.

The School made cash advances to Youth Co-Op, Inc. to cover eligible expenses of the Charter School. These advances are non-interest bearing and due on demand.

Due to Fiduciary Fund

Consist of amounts due to the students for cash held for the benefit of student organizations as a result of funds raised by the students of the School. The cash was deposited in a separate bank account and was included in the cash and cash equivalent in the statement of financial position of the School.

Revenue Source

Revenue for current operations is received primarily from the School Board pursuant to the funding provisions included in the School's Charter and Section 1002.33(17) of the Florida Statutes. Such revenues are determined based on the estimated number of full-time equivalent (FTE) students and related data reported by the School to the Department of Education (DOE) for funding through the Florida Education Finance Program (FEFP). The estimated FTE and the actual weighted FTE reported by the School during the year to reflect the revised calculation by the FDOE under the FEFP and the actual weighted FTE reported by the School during designated FTE survey periods.

1. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

Income Taxes

The School is exempt from income taxes, under Section 501(c) 3 of the Internal Revenue Code of 1954 (as amended) under the classification of other than a private foundation; accordingly, the financial statements reflect no provision for income taxes.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues, support and expenses during the period. Actual results could differ from those estimates.

2. **TEMPORARILY RESTRICTED NET ASSETS**

During the fiscal years 2009 and 2008, the School Board received an additional \$279,807 and \$382,057, respectively, of Section 1002.33(19) of the Florida Statutes, Charter School Capital Outlay Funding from the State on behalf of the School. The funds have been deposited with the School Board and will be distributed once the School incur expenses in accordance with approved Capital Outlay Plans by the School Board and follow other guidelines developed by the Florida Department of Education. As of June 30, 2009 and 2008, the School recorded a receivable from the School Board of \$410,415 and \$587,267, respectively, and recorded the amount as temporarily restricted support. In 2009 and 2008, the School released \$456,679 and \$196,226, respectively, from restrictions by incurring expenses in accordance with approved Capital Outlay Plans.

3. **PROPERTY AND EQUIPMENT- NET**

Property and equipment consists of the following:

	<u>2009</u>	<u>2008</u>
Property and equipment	\$ 487,897	\$ 436,113
Furniture and fixtures	94,328	75,430
Leasehold improvement	<u>1,950,095</u>	<u>1,670,732</u>
	2,532,320	2,182,275
Less: accumulated depreciation	<u>(1,679,421)</u>	<u>(1,527,993)</u>
	<u>\$ 852,899</u>	<u>\$ 654,282</u>

Depreciation expenses for the year ending June 30, 2009 and 2008 amounted to \$151,428 and \$200,900, respectively.

4. COMMITMENTS

The School program leases the school facility under the terms of an operating lease, which expires on January 31, 2013. Annual rental for such lease amounted to approximately \$87,000 subject to annual rate adjustment based on the Consumer Price Index (CPI) as published by U.S. Department of Labor, Bureau of Labor Statistics. The Charter School's rent expenses for the year ended June 30, 2009 and 2008 amounted to \$90,531 and \$86,518, respectively, and is included in the school operation of plant expenses in the accompanying statement of activities.

Minimum rental payments for the remainder of the lease term are as follows:

<u>June 30,</u>	
2010	\$ 86,518
2011	86,518
2012	86,518
2013	<u>86,518</u>
	<u>\$ 346,072</u>

5. CONTINGENCIES

Grants from the Government and Other Agencies

Amounts received or receivable from grant agencies are subject to audit and adjustment by grantor agencies. Any disallowed claims, including amounts already collected, may constitute a liability of the School. The amount, if any, of expenses which may be disallowed by the grantor cannot be determined at this time although the School expects such amounts, if any, to be immaterial.

Grand Jury

On June 22, 2006, the Organization was served with a subpoena to produce certain documents and records in connection with an investigation by a Grand Jury impaneled by the United States District Court for the Southern District of Florida. The Organization complied with the subpoena. Management is unable to predict when the Grand Jury's investigation will be concluded or its outcome.

Litigation

The School is a defendant in a lawsuit filed by a former employee of the School. The School denies any wrongdoing and intends to defend vigorously against the claim. Based on the information currently available, management believes that the amount of the ultimate liability, if any, with respect to this action will not materially affect the financial position and results of operations of the School since any liability resulted from this action will be covered by insurance.

6. MANAGEMENT FEE

Pursuant to the Charter School contract with the School Board, the School Board is paid a management fee of 5% of the qualifying revenues of the School. For the years ended June 30, 2009 and 2008, management fees paid to the School Board amounted to \$155,865 and \$161,030, respectively.

7. EMPLOYEE BENEFIT PLAN

The Organization's profit-sharing plan and trust provides retirement, death and disability benefits for qualified employees. The plan provides for annual contributions by the Organization to the trust, at the discretion of the Organization's Board of Directors. Annual Organization's contributions are allocable to participants based upon annual compensation with the School. The School's contribution to the plan for the year ended June 30, 2009 and 2008 amounted to \$126,243 and \$129,853, respectively.

8. CURRENT VULNERABILITY DUE TO CONCENTRATION

The School has adopted SOP 94-6 which requires disclosure of vulnerable concentration of exposed risk. For the fiscal year ended June 30, 2009 and 2008, the School received approximately 77% of its support from the Miami-Dade County School Board. It is reasonably possible that in the near term these programs could decrease due to budget cut at the School Board, which could affect the School and its ability to continue operations.

9. CONCENTRATION OF CREDIT RISK

The School maintains bank accounts at four banks. Accounts are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. Cash in one of the institution exceeded the federally insured limits. The amount in excess of the FDIC limit totaled to approximately \$770,000 as of June 30, 2009. The School maintains its cash with a high quality financial institution, which limits this risk.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON
AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE
WITH GOVERNMENT AUDITING STANDARDS**

To the Board of Directors of
Youth Co-Op, Inc.
(a nonprofit organization)

We have audited the special purpose financial statements of Youth Co-Op Charter School (the "School"), as of and for the years ended June 30, 2009 and 2008, and have issued our report thereon dated August 31, 2009. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control over Financial Reporting

In planning and performing our audit, we considered the School's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the School's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the School's internal control over financial reporting.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the organization's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles, such that there is more than a remote likelihood that a misstatement of the School's financial statements that is more than inconsequential will not be prevented or detected by the School's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the School's internal control.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be a significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

To the Board of Directors of
Youth Co-Op, Inc.
(a nonprofit organization)

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the School's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of the Board of Directors, management, the Auditor General of the State of Florida and Miami-Dade County School Board and is not intended to be and should not be used by anyone other than these specified parties.

**MANAGEMENT LETTER IN ACCORDANCE WITH THE RULES
OF THE AUDITOR GENERAL OF THE STATE OF FLORIDA**

To the Board of Directors
Youth Co-Op, Inc.
(a nonprofit organization)
Miami, Florida

We have audited the special purpose financial statements of Youth Co-Op Charter School (the "School"), as of and for the fiscal years ended June 30, 2009, and have issued our report thereon dated August 31, 2009. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States and Chapter 10.850, Rules of the Auditor General. We have also issued our report on compliance and on internal control over financial reporting; which is dated August 31, 2009, and should be considered in conjunction with this management letter.

The purpose of this letter is to comment on those matters described in Rule 10.856(2) as required by the Auditor General for the State of Florida. Accordingly in connection with our audit of the basic financial statements of the School, as described in the first paragraph, we report the following:

1. The recommendation made in the preceding annual financial audit report were implemented.
2. The School has not met one or more of the conditions pursuant in Section 218.503(1), Florida Statutes.
3. There are no recommendations to improve the school's financial management, accounting procedures, and internal control noted for the fiscal year ended June 30, 2009.
4. There were no violations of laws, regulations, contracts or grant agreements, or abuse that have occurred, or are likely to have occurred, that have an effect on the determination of financial statement amounts that is less than material but more than inconsequential.
5. Based on our professional judgment, we may report on the following matters that are inconsequential to the financial statements, considering both quantitative and qualitative factors: (a) violations of laws, rules, regulations, and contractual provisions or abuse that have occurred, or were likely to have occurred; (b) improper expenditures or illegal acts that would have an immaterial effect on the financial statements; and (c) control deficiencies that are not significant deficiencies, including, but not limited to (1) improper or inadequate accounting procedures (e.g., the omission of required disclosures from the financial statements); (2) failure to properly record financial transactions; and (3) other inaccuracies, shortages, defalcations, and instances of fraud discovered by, or that come to the attention of the auditor. In connection with our audit, we did not have any such findings.

SCHEDULE OF FINDINGS
FOR THE YEAR ENDED JUNE 30, 2009

I. CURRENT YEAR FINDING

None

II. PRIOR YEARS' FINDINGS

2008-01 Financial Reports not in compliance with GAAP

Condition:

The School had improperly recorded all Capital expenditures as expenses rather than fixed assets additions for the current fiscal year. In addition, there are no existing procedures to systematically calculate and record the depreciation expense on a regular basis.

Recommendation:

We recommend that the School adopt accounting policies and procedures that are in accordance with GAAP hierarchy applicable to a nonprofit corporation.

Current Year Status:

Management has implemented the recommendations, comments will not be repeated.

SCHEDULE OF FINDINGS
FOR THE YEAR ENDED JUNE 30, 2009
(CONTINUED)

2007-01 School Internal Funds

Condition:

During our audit, we noted that the funds collected by and used for students are commingled with the general operating account of the School and that the School is not accounting for the financial transactions of the school organizations on a separate school internal funds as prescribed by the "Financial and Program Cost Accounting and Reporting for Florida Schools", commonly called the "Red Book", Chapter 7 – School Internal Funds. In addition, the Red Book further prescribed that internal fund which is temporarily idle shall, as required by law, be invested.

Recommendation:

We recommend that the School's internal funds be accounted for and deposited separately from the School's general operating account and any temporarily idle cash be deposited in an interest bearing account.

Current Year Status:

The School is maintaining a separate bank account to which monies of the student organization/clubs are deposited. Comments will not be repeated.
